

Asbestos and the Law Conference- 10th June 2008

A legal conference is being held for lawyers who specialise in claims on behalf of asbestos disease sufferers. The conference brings together national and international experts to speak on a variety of legal issues concerning litigation claims on behalf of asbestos diseases victims.

The conference will be held on Tuesday 10th June 2008 at Merseyside Maritime Museum. For more details and a list of the full speakers see below.

The speakers include experts on asbestos litigation from USA and Australia and two leading QC's who represent asbestos disease victims in compensation claims in this country. See below for more details or contact John Flanagan, Merseyside Asbestos Victims Support Group on 0151 236 1895.

Several local lawyers who represent asbestos sufferers are helping to organise the event. All proceeds are for the benefit of the Merseyside Asbestos Victims Supports Group, a charitable organisation that helps victims of asbestos disease and their families and loved ones.
